## EUROPEAN FORUM ALPBACH (EFA)

The European Forum Alpbach was founded in August 1945 as one of the first international political and intellectual events in post-war Europe. It has since established itself as an important hub for interdisciplinary exchange of ideas, where world-renowned scientists, economists as well as politicians and academics engage in a prosperous dialogue with university students. Each summer, more than 5.000 people from over 60 countries come together in the Tyrolean mountain village of Alpbach to experience this unique atmosphere. This year's forum will take place from **August 15<sup>th</sup> – 31<sup>st</sup> 2018** with the theme of **“Diversity and Resilience”**.
